WEDDING GIFTS

Need a special present or basket of gifts for your bridal party? Let the spa retail specialists create a unique gift experience for each individual to commemorate your day and say thank you to those who shared with you. Gift certificates also available.

CUSTOMIZED BACHELORETTE PARTIES/BRIDAL SHOWERS

Ask our spa coordinator about personalizing your party. We can combine treatments to create a package designed especially for you. We can celebrate your party in the spa or if you are guest of the hotel, we can bring the spa services to your suite.

- All wedding packages include a glass of complimentary champagne for each spa guest.
- Please ask about our special spa food and beverage options that can be paired with any of the packages.
- If the packages do not meet your wedding needs, please feel free to call our spa coordinator to customize a package for you.

**Please note, we only work on natural nails. We will be happy to paint on acrylic nails.*
