

CORPORATE RELIEF MENU

For added convenience, The Spa at The Peabody offers a customized menu of spa services and gifts for you and your group of attendees to enhance your meeting experience with us. A spa coordinator will work closely with your group planner to offer services specific to your needs and attend to every detail to ensure your stay is relaxing and rejuvenating.

REJUVENATION BREAKS

Chair Massage/Foot Relief Stations: Include our Chair Massage or Foot Relief Station in any break to rejuvenate and refresh attendees for their next session. Ask us about adding a sponsorship to massage stations to promote your brand during breaks or lunches.

Fitness Minute: Exercise increases memory and retention of information. Let our spa staff treat your group to 5-10 minutes of networking-focused stretching or team-building movement into any meeting.

Massage Train: This team-building favorite highlights the importance of people working together to help create a cohesive team.

Hand Shake Maintenance: Moisturizing aromatherapy paraffin helps prepare your hands for meeting and greeting during your convention.

Peabody Wellness Workshops: Topics include Relaxation and Meditation, Spa Travel Tips, Stretching and Health. Our spa host can also customize workshops to meet your needs. Workshops can be arranged for 30 or 60 minutes. Ask us about gift components that make a perfect accompaniment to any workshop.
